Highlights

Intellectual Property Facilitation Centre

Intellectual Property Facilitation Centre has been established with the prime objective to boost Intellectual Property (IP) culture in MSMEs by guiding and assisting them in the identification, protection, and management of intellectual property rights (IPRs). IPFC provides cost-effective, hassle-free, and timely IP-related services to make IP protection easier and affordable. We are also taking the services of external consultants in this field.

State Profile

Karnataka is located in the south part of the country. It is an entirely land-locked state, although the outlet to the sea.
